The Human Resource Manager,
Tulloiwil

Ghana

Dear Sir/Madam,

My name is Aboagye Richard, a Master's degree pursuant in Water Supply and Environmental Sanitation at Kwame Nkrumah University of Science and Technology (KNUST). I hold a Bachelor's degree in Mechanical Engineering (First- Class Certificate of Honour) from KNUST. I just completed a Graduate Trainee program at AngloGold Ashanti Ghana in August 2022 . I write to apply for a job in your renowned company.

My diverse background includes valuable expertise in Solid waste management, Liquid waste management, water treatment, thermos-fluids and energy engineering, Pipes and pumps, and automobile engineering, I am a hardworking person who consistently extends the extra effort to exceed goals.

I enjoy managing multiple projects and the reward of guiding a project from conception to completion successfully. I contribute professional communication skills, strong machine design techniques, and effective product management to help bridge gaps between manufacturing, engineering, and marketing.

I am excited to learn about the opportunities for an environmental position with your organization and I am confident that I would be a great asset to your team. Please review my attached resume. Thank you for your time, and I hope to hear from you soon.

Yours faithfully,

Richard Aboagye.
